

Longevity Acrylics... The Name Synonymous With Quality Acrylic Bathware Products.

1. Product manufactured to meet or exceed all regulatory bodies.
 2. Heavy duty 32mm (1 1/4)" knurled stainless steel safety grab bars that meet or exceed all regulatory bodies, are installed and reinforced using our superior laminated reinforcing pad at rear of unit with stainless steel bolts going all the way through with a nut and washer on the outside – impossible to pull safety bars off the wall.
- Note:** *Special care bars can be sized and located to your specifications.*
3. Fine quality acrylic finish with extra reinforcement materials laminated in using our own proprietary fire retardant fiberglass formula.
 4. Time proven designs.
 5. Style, elegance and comfort designed into every product.
 6. Uncompromising craftsmanship and long term dependability.
 7. Drip and leak proof designs keep water off floors.
 8. Soap dishes and product shelves that work well and drain properly.
 9. Highest quality and functional Special Care Products.

Longevity Acrylics Options and Accessories:
Quality is not an option available on Longevity Acrylics Products rather it is built right into each and every product we manufacture. Following is a partial list of options and accessories available at time of printing.

1. Modern designer colours in stock for the fastest delivery possible.
2. Towel/safety bars and hand rails.
3. Six jet whirlpool packages with safety suction fittings.
4. Therapeutic packages.
5. Plated trim packages for whirlpools and therapeutics.
6. Dome light.

All Longevity Acrylics Special Care Products are CSA Certified. We reserve the right to change or improve products without notice. Longevity products are designed to give you and your entire family a solid long term investment in beauty, practicality and durability. Each unit has been thoroughly water tested and inspected to ensure your complete satisfaction. Longevity Acrylics products are extremely durable and fracture-resistant. However, CARE in shipping, handling and installation must be ensured. All Longevity Acrylics products are covered by our comprehensive warranty. For details, ask for a copy of our Warranty card.
