

GRAB BARS

Our bathroom accessories combine safety with design to transform your bathroom into a beautiful and relaxing sanctuary. Longevity products deliver a premium and beautiful support accessory you can always trust.

We strive to normalize safety, especially for those who are making efforts to age in place. We are inspired by potential, both our own and that of our customers.

Our accessories include bathroom towel bars, decorative grab bars, and even shelving for uncompromised support and design.

INV-ACR-CP / INV-ACR-BK

The Accent Ring is a decorative grab bar that elegantly frames your shower valve while also providing unparalleled support. Designed to support a user weight capacity of up to 500lbs / 227kgs, the Accent Ring combines elegance with safety so you can experience peace of mind when you shower. One of our top-selling luxury bathroom accessories, the Accent Ring is perfect to hold onto when adjusting your water controls and simultaneously protects your fixture investments.

INV-ACB-CP / INV-ACB-BK

Accent & Linear Bars are a bold and stylish way to add new life to the safety features of any bathroom. With a user-weight capacity that can support up to 500lbs / 227kgs, the decorative bars grant users peace of mind without compromising the beauty of the space. Featuring chrome or black colour options to complement décor, the luxurious bars can be installed anywhere—and at any angle—that support is needed.

Other sizes are available upon request and availability.

24SSGB / 30SSGB

24SWG / 30SWG

Store shampoo bottles and other shower products on a sophisticated shelf that incorporates reliable support for peace of mind in any shower space. The modern design cleverly disguises the support bar—rated up to 500 pounds—as an eye-catching decorative feature. The shelf tray is removable for easy cleaning, and is made from a non-porous material for added convenience.
